

CDC COMMUNITY LEVEL EXPLANATIONS FOR PHNSY & IMF FACE MASK POLICY

HIGH:

When the CDC COVID-19 Community Level is high in the county where a DoD installation or facility is located, indoor mask-wearing is required for all Service members, DoD civilian employees, onsite DoD contractor personnel (collectively, "DoD personnel"), and visitors, regardless of vaccination status. The screening testing program required shall be utilized in that installation or facility.

MEDIUM:

When the CDC COVID-19 Community Level is medium in the county where a DoD installation or facility is located, indoor mask-wearing is not required for DoD personnel or visitors. The screening testing program required shall be utilized in that installation or facility. Individuals may choose to wear a mask regardless of the COVID-19 community level.

LOW:

When the CDC COVID-19 Community Level is low in the county where a DoD installation or facility is located, indoor mask-wearing is not required for DoD personnel or visitors. The screening testing program required shall be utilized in that installation or facility. Individuals may choose to wear a mask regardless of the COVID-19 community level.
